PROFILE

Creative and detail-oriented Frontend Developer with hands-on experience building responsive web applications using React, JavaScript, HTML5, CSS3, and Tailwind CSS. Proven ability to work across the full development lifecycle, including design, development, API integration, and deployment. Passionate about crafting clean, user-friendly interfaces and continuously learning modern frontend tools and best practices.

WORK EXPERIENCE

Trainee Full Stack Developer

Mahawali Authority of Sri Lanka, Embilipitiya · Sep 2025 – Mar 2026

- › Designed, developed, and deployed the organization's official website using React, HTML, CSS, and Tailwind CSS
- › Built responsive layouts compatible across desktop and mobile devices
- › Integrated REST APIs using Postman; tested GET, POST, PUT, and DELETE endpoints
- › Used Git and GitHub for version control and collaborative development
- › Collaborated with stakeholders through all phases of the SDLC — from requirements to launch
- › Performed debugging, code reviews, and maintained clean code standards

Associate Customer Service (FLO)

Dialog Franchise · Feb 2026 – Present

- › Handled customer-facing systems and digital tools in a fast-paced environment
- › Demonstrated adaptability and strong communication skills across different workflows

School Leaver – Customer Service

Bank of Ceylon (BOC) · Jan 2022 – Jan 2023

- › Assisted in client service and relationship management
- › Developed professional communication and organizational skills
